

Join us for Maryland's first **Stop the Clot** Forum and gain practical knowledge you can use to prevent, treat or manage blood clots and clotting disorders.

Please visit the conference website for more details at www.stopthecLOT.org.

Take Charge of Your Health!

This interactive forum will offer insight into everything you ever wanted to know about blood clots and clotting disorders. Each session will offer advice and practical tips to take charge of your health by leading providers from the region's most prestigious medical centers.

Who should attend?

- Patients and families with blood clots or clotting disorders
- Cancer survivors
- Patients who have recently undergone surgery or are scheduled for surgery
- Women who are on birth control, pregnant, or who have recently given birth
- Women taking post-menopausal hormone therapy
- Public health workers
- Healthcare professionals
- Pharmacists
- Pharmaceutical representatives
- Students in the healthcare professions
- Anyone who is interested in preventing blood clots
