The National Blood Clot Alliance (NBCA) is pleased to announce that we are accepting virtual participants for Team Stop the Clot® for the 2022 TCS New York City Marathon.

Participants applying can create their own marathon course, and either complete the marathon by walking, jogging, or running! Each virtual participant is encouraged to create a fundraising page and set their own fundraising goal. Team Stop the Clot® will provide members with special amenities including, fundraising assistance and monthly zoom training calls. Those who raise $500+ will receive a Stop the Clot® t-shirt, and those who raise $1,500+ will receive a Stop the Clot® racing jersey. Additionally, our Team Stop the Clot® social media pages offer guidance and camaraderie from past marathoners and endurance athletes. We also offer support through Team Stop the Clot® Facebook Group and through our Strava group. We encourage you to join these groups at any time. Please complete the application below and email it to jthompson@stoptheclot.org.
